

Organ Fund

If you haven't filled out a pledge card for our organ fund yet, please consider doing so. So far, we have raised a little over \$107,000 in pledges and donations. Our goal is \$185,000. Our little congregation has pulled off some miracles in the past and I believe we can pull this one off too! A new organ would be a blessing for many generations to come.

PLEASE HELP

(If you need a pledge card, you may contact the church office: grcsecretary11@verizon.net or 518-477-6030)

THANK YOU!
